A Product Highlights Sheet ("PHS") highlighting the key features and risks of the Fund is available and investors have the right to request for a PHS. Investors are advised to obtain, read and understand the PHS dated October 2025 before investing. Amongst others, investors should also note that the price of units and distributions payable, if any, may go down as well as up. Where a distribution is declared, investors are advised that following the issue of additional units/distribution, the NAV per unit will be reduced from cum-distribution NAV to ex-distribution NAV. The Fund is only offered to "sophisticated investors" as defined by SC from time to time. A copy of the PHS can be obtained from our office or official website. The Manager wishes to highlight the specific risks of the Fund are sustainability risk, counterparty risk, concentration risk, credit and default risk, and regulatory risk. These risks and other general risks are elaborated in PHS. This factsheet is prepared for information purposes only. It does not have regard to specific investment objectives, financial situation and the particular needs of any specific person who may receive it.
